BOWL GAME™ BLACK

POND DYE

PRINCIPAL FUNCTIONING AGENTS

Proprietary Blend of Dyes, Coupling Agents and Inert Ingredients 100%

KEEP OUT OF REACH OF CHILDREN CAUTION

Avoid contact with skin, eyes or clothing. Do not take internally. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. In addition, follow precautionary statements on all products used with this material. Clean affected clothing, shoes, and protective equipment before reuse.

Personal Protective Equipment: Wear chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

NET CONTENTS: 1 U.S. GALLON (3.79 L)

GENERAL INFORMATION

BOWL GAME™ Black pond dye is a highly concentrated colorant that is non-toxic and creates a beautiful natural appearance for any lake, pond or fountain.

BOWL GAME™ Black pond dye is safe for fish and aquatic species, waterfowl, wildlife and pets. It is a non-corrosive dye and when used according to recommended rates will not stain stone, fountains, aquatic features or swimwear.

- Enhances the natural beauty of any body of water with a natural reflective surface
- Obscures visibility into the water
- Reduces sunlight penetration

The dye will stain rocks, decking and other porous surfaces if spilled or applied as a concentrate. Do not use in water that is expected to be consumed by humans.

DIRECTIONS FOR USE

Pour the appropriate amount of dye into the water along the edge of the lake or pond. **BOWL GAME™ Black** will distribute evenly, dispersing with lake and pond currents, and wind-blown water movement. To assist diffusion throughout the entire lake or pond, empty the gallon container(s) at different points around the lake or pond edge, or through an aerator, circulation or injection system, waterfall or fountain. Wear eye protection and rubber gloves, carefully applying the dye directly to the water.

BOWL GAME™ Black is a high-quality, aquatic dye that will be degraded by chlorine, which will diminish the lake or pond coloration.

In non-chlorinated systems or lakes and ponds, dye is broken down gradually through biological and photo-degradation. Coloration is also reduced through the natural process of dilution (i.e. – addition of fresh water to the lake or pond). The original color level should be stable for 2-4 weeks, depending on your lake or pond system. Chlorinated systems typically require dye addition within 2 weeks, while biological and photo-degradation is common within 4 weeks. To

return your beautiful lake or pond color to its intended coloration level, simply add small amounts of **BOWL GAME™ Black** from time to time which will offset the natural color loss.

USE RATES

BOWL GAME™ Black should be applied one (1) gallon of dye per acre of water with an average water depth of four (4) feet (4 acre-feet).

One (1) ounce treats approximately (8500) gallons of water for small ponds.

An acre/foot of water can be determined using the following formula:

$$\frac{\text{Pond Length (ft)} \times \text{Pond Width (ft)} \times \text{Average Depth (ft)}}{43,560 \text{ ft}^3} = \text{Number of Acre-Feet of Water}$$

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY STATEMENT: EXACTO®, INC. (Exacto) represents and warrants that its products are manufactured in accordance with the product's specifications and that its products, at the time of delivery to the purchaser, shall be free from all material defects. EXACTO MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED. FURTHER, IT IS UNDERSTOOD AND AGREED THAT EXACTO'S LIABILITY SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE PURCHASE PRICE PAID BY PURCHASER AND UNDER NO CIRCUMSTANCES SHALL EXACTO BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. Products for which a warranty claim is made are to be returned transportation prepaid to Exacto's production facility. Any use not in accordance with product directions and precautionary statements, and any modifications or additives to the products, or any adulteration, dilution or alteration by the purchaser shall void this warranty.
