Our minimum order is 12 strips of Vegetative Annuals and/or Combos per shipment or 8 strips of Regal Geraniums and/or Grasses per shipment. If these products are combined, the minimum order would be 6 strips of Vegetative Annuals/Combos and 4 strips of Regal Geraniums/Grasses. If ordering only Assortment Trays, the minimum order would be 4 Assortment Trays. There is a \$25 additional charge for any order under minimum. See 'PACKAGING' below for quantities of plants per box.

LABELS

Unless requested otherwise, we will provide one label for each plant purchased, whether or not the plant is patented. You can limit the number of labels on an order; please provide instructions with your order. The minimum ratio for patented varieties is 1 label for every 5 plants (in multiples of 25 labels) and zero for non-patented varieties.

The label is included in the price. If requesting a reduction in labels, the label cost will then be deducted from the invoice at a rate of \$.035 per label.

RECEIVABLE TERMS

Our terms are Net 30 days from our invoice date. A service charge of 1.5% per month (18%APR) is applied to all past due accounts. Invoices may be paid by cash, check or credit card. If payment is made with a credit card at 30 days there will be a 2% convenience fee. If payment is made by credit card at 10 days there will be no convenience fee.

PACKAGING

Preforma 26 strip is sold as 25. They are shipped in multiples of 100 (4 strips). The packaging setup allows us to put either 100, 200, or 300 in a box. That determination will depend on the product size at shipping time. Most products in the Preforma 26 strip will be shipped 300 in a box.

A minimum order will be 300 plants (12 strips) if only the Preforma 26 strip is ordered. Once 300 plants are ordered, then the increments will be every 100 plants for even boxing for shipping. Please remember that for customers either picking up product or having it delivered by Malmborg's/Wagner's, those orders do not have to be multiples of 100.

Kwik Kombos are in a larger Preforma plug in multiples of 17 per strip. This 17 strip has the same width and length as the Preforma 26 strip mentioned above. These 17 strips can be packaged with the Preforma 26 strip.

Ellepot 18 (Regal Geraniums & Dipladenia) and 24 strips (Grasses & Spikes) are 1/2 the width of a standard tray. Both Ellepot 18 and 24 strips are shipped in multiples of 4 strips. Each box contains 4 strips. These cannot be combined in boxes with the Preforma 26 strip or the Kwik Kombo 17 strip. A minimum order of only these strips would be 8 strips to fill two boxes. For even boxing for freight, orders must have increments of four strips of these items.

Assortment trays are true size plants and will ship two per box. This tray uses the same box as Ellepot 18 and 24 strips. A single assortment tray can be combined with two Ellepot 18 strips or two 24 strips to fill a box.

What would be a minimum order when combining different trays? If you have four trays of either the 18 Ellepot or 24 trays, then you would need 8 strips (200 plants) of the Preforma 26.

SHIPPING

Shipping instructions must be submitted with your order. Malmborg's will not be held responsible for damage caused to plants during transit.

There is a winter pack (Styrofoam lining of box) charge of \$6.00 per box for shipments that require cold protection. This will occur from week 1 through approximately week 13 for those orders that are shipped either FedEx or Air.

Airline shipments are made collect to the customer via select carriers only - Delta, Alaska, and Southwest. Federal Express shipments are shipped second day unless requested otherwise. Additional delivery companies will be considered for the local region - twin city area and 5-state area.

Pick up orders must be scheduled in advance with Malmborg's Shipping Department. Post cards with pick up dates will be sent a week in advance. Contact Malmborg's Shipping Department at (763) 428-2061 ext. 235 for date changes.
