ROOTSHIELD® FALL EARLY-ORDER PROMOTION

End-User Rebate Processing and Payments

Using a desktop or laptop computer, tablet, or mobile phone, end-user Purchaser may simply follow directions at the BioWorks Inc promotion webpage, bioworksinc.com/rootshield-fall-eop, or use the QR code below. Following delivery and receipt of the product(s) during the Take Delivery Period, the purchaser must complete the online Rebate Request Form, attach the required digital copy, image, or photo of the product purchase PO(s) or purchase receipt(s), and submit electronically to BioWorks Inc. as instructed at the online webpage.

Submitted Rebate Request Forms and required documentation will be validated by BioWorks Inc prior to rebate payment. All Rebate Request Forms must be submitted complete no later than July 15, 2023 to be eligible for the promotion rebates and payment.

Rebate payments will be processed, made payable-to, and delivered directly to the end-user Purchaser at the location specified in the Rebate Request Form no later than September 30, 2023.

Multiple RootShield brand and Qualifying Bonus Product brands order receipts may also be consolidated and submitted under one Rebate Request Form for processing as a single rebate payment by the end-user Purchaser. Similarly, this submission will be made payable-to and delivered to the location indicated on the Rebate Request Form.

Conditions, Limitations, Restrictions

Once the minimum purchases of RootShield brand and Qualifying Bonus Product brands are met, additional qualifying orders may be placed within the Program Period and will qualify for the Savings Rebates and Bonus Savings Rebates.

Additional Rebate Forms must be submitted for each additional order placed for qualifying RootShield brand products purchased during the Program Period.

Proof of purchase receipt or approved documentation must accompany the Rebate Request Form in order to process and determine the Program Rebate(s) payment.

No exceptions.

Qualifying Bonus Product brands purchases are NOT required to participate in the basic RootShield brand Savings Rebate program, i.e. Step 2 is NOT required to qualify for Step 1 of the promotion.

No maximum purchase limitations.

The Program is limited to sales and purchases of the RootShield brands and Qualifying Bonus Product brands within the U.S.A., its states and territories, and to where the RootShield brands and Qualifying Bonus Product brands are approved and lawfully registered to be sold.

Sub-distributors and resale dealers do not qualify for the Program Rebate(s).

The determination of the end-user Program Rebate(s) payment is restricted to the stated RootShield brands and the Qualifying Bonus Product brands purchased during the Program Period.

No other BioWorks products, programs, or promotions may be included in the qualification for and determination of the end-user Program Rebate(s) payment.

BioWorks reserves the right to terminate the Program at any time.
